BRIOTIX HEALTH Successfully Completes SOC 2 Audit Demonstrating Commitment to CyberSecurity

CENTENNIAL, CO – December 16, 2022

Briotix Health, an industry-leading provider of musculoskeletal prevention and health solutions, has successfully completed its SOC 2 Type 1 audit of its security, infrastructure, and policies. This examination reflects Briotix Health's ongoing commitment to technical and operational best practices in safeguarding our current and future clients' data and digital assets.

Established by the American Institute of Certified Public Accountants (AIPAC), the SOC 2 examination is designed for organizations of any size, regardless of industry or scope, to ensure the personal assets of their potential and existing customers are protected. SOC 2 reports are recognized globally and affirm that Briotix Health's infrastructure, software, people, data, policies, procedures, and operations have been formally reviewed.

"In today's ever-changing world of evolving cyber threats, Briotix Health believes it is our duty to actively work to provide the highest level of security assurance for our clients," said Johan Suero, Technology Director. "This designation signifies Briotix' security posture and maturity along with our continued commitment to keeping client information and systems safe and secure. This is just step one in our commitment as we move towards SOC 2, Type 2 certification by mid- 2023."

Briotix Health's SOC 2 audit was conducted by leading compliance assessor A-LIGN, a technology-enabled security and compliance partner trusted by more than 2,500 global organizations to help mitigate cybersecurity risks.
